Young Life Dawson Creek needs YOUR help.

As a family of 6 who came from the oilfield to serving in youth ministry, I understand financial struggles and the importance of living within a tight budget. These experiences deepen my belief in the value of Young Life—a ministry that has been transforming lives in our community since 1991.

Young Life is one of the LAST FREE, all-inclusive youth programs in Dawson Creek. We welcome every teenager, regardless of their background or circumstances, providing a safe space where they are loved, valued, and supported - a place of belonging.

Our impact is evident. We've grown from serving 10–15 teens to over **50+ teens at our weekly events**, reaching youth from Dawson Creek and surrounding rural areas. This growth is a blessing, but it comes with increased costs, and our resources have run out!

*Today we are facing a critical need in our Young Life ministry, and we urgently need your support to carry out our programs. We are asking everyone who believes in this mission, who believes in serving our youth, who believes in Young Life, to **help us keep our mission 'doors' open**. If you've been considering donating or are able to increase your donations, **NOW** is the time. Your donation will go directly to changing the lives of our youth, and every gift, no matter the size, will make a lasting impact. How can you help us make an impact?*

To sustain and expand our ministry, we aim to raise \$50,000.00, as soon as possible!

Your partnership can help ensure we continue being a place where teens find belonging and hear the life-changing message of Jesus Christ.

Every dollar donated stays 100% LOCAL towards serving the community of Dawson Creek, BC.

You can donate online:
